It is actually quite easy!

We are located on border between Austria and Slovenia.
Between Austrian town Bleiburg and Slovenian town Prevalje.
Two day race is divided into two locations.
First day location in Austria (Petzen Bergbahnen ski resort, near Bleiburg)
Second day in Slovenia (Jamnica area, near town Prevalje).

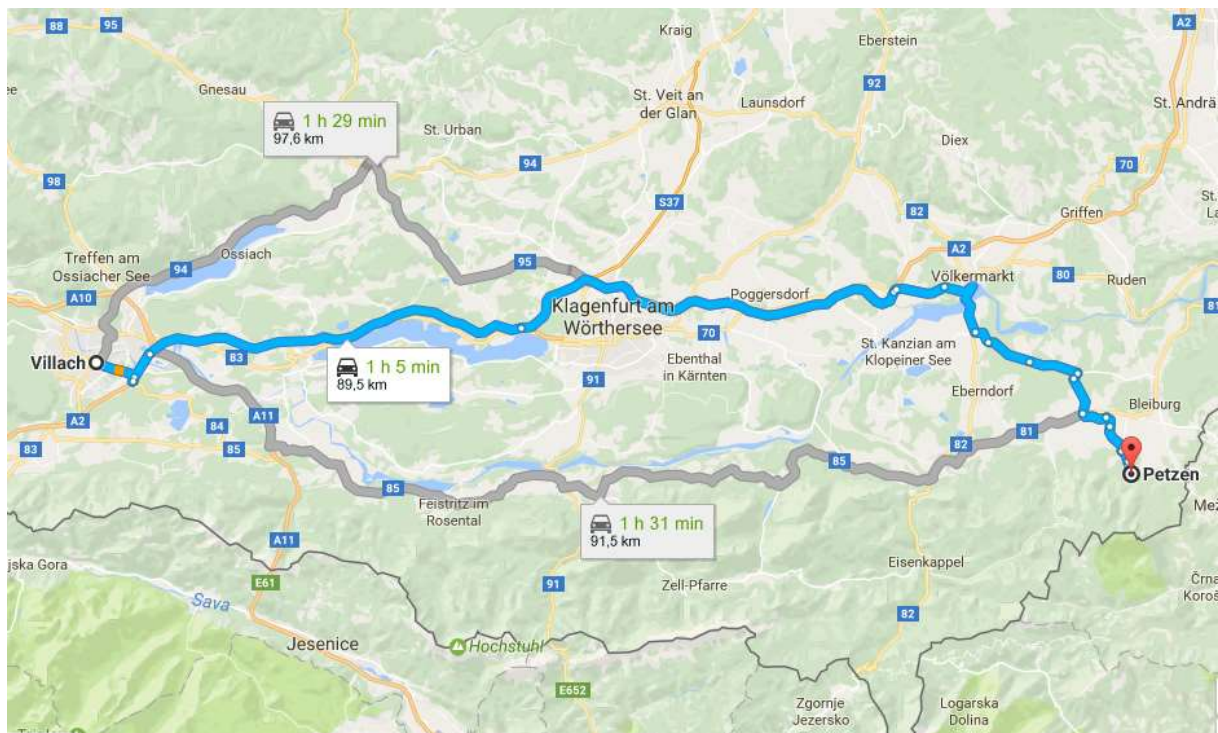

Black Hole Enduro **1st race-day** starts on **Petzen ski resort** (Petzen Bergbahnen) on Saturday 29th/July. Address of Petzen is: Petzen Bergbahnen GmbH, Unterort 52, 9143 St. Michael ob Bleiburg, AUT

2nd race-day of BH Enduro is held in **Jamnica** area in Slovenia on 30th/July 2017. Address of localiton: EkoHotel Koroš, Jamnica 10, 2391 Prevalje, Slovenia

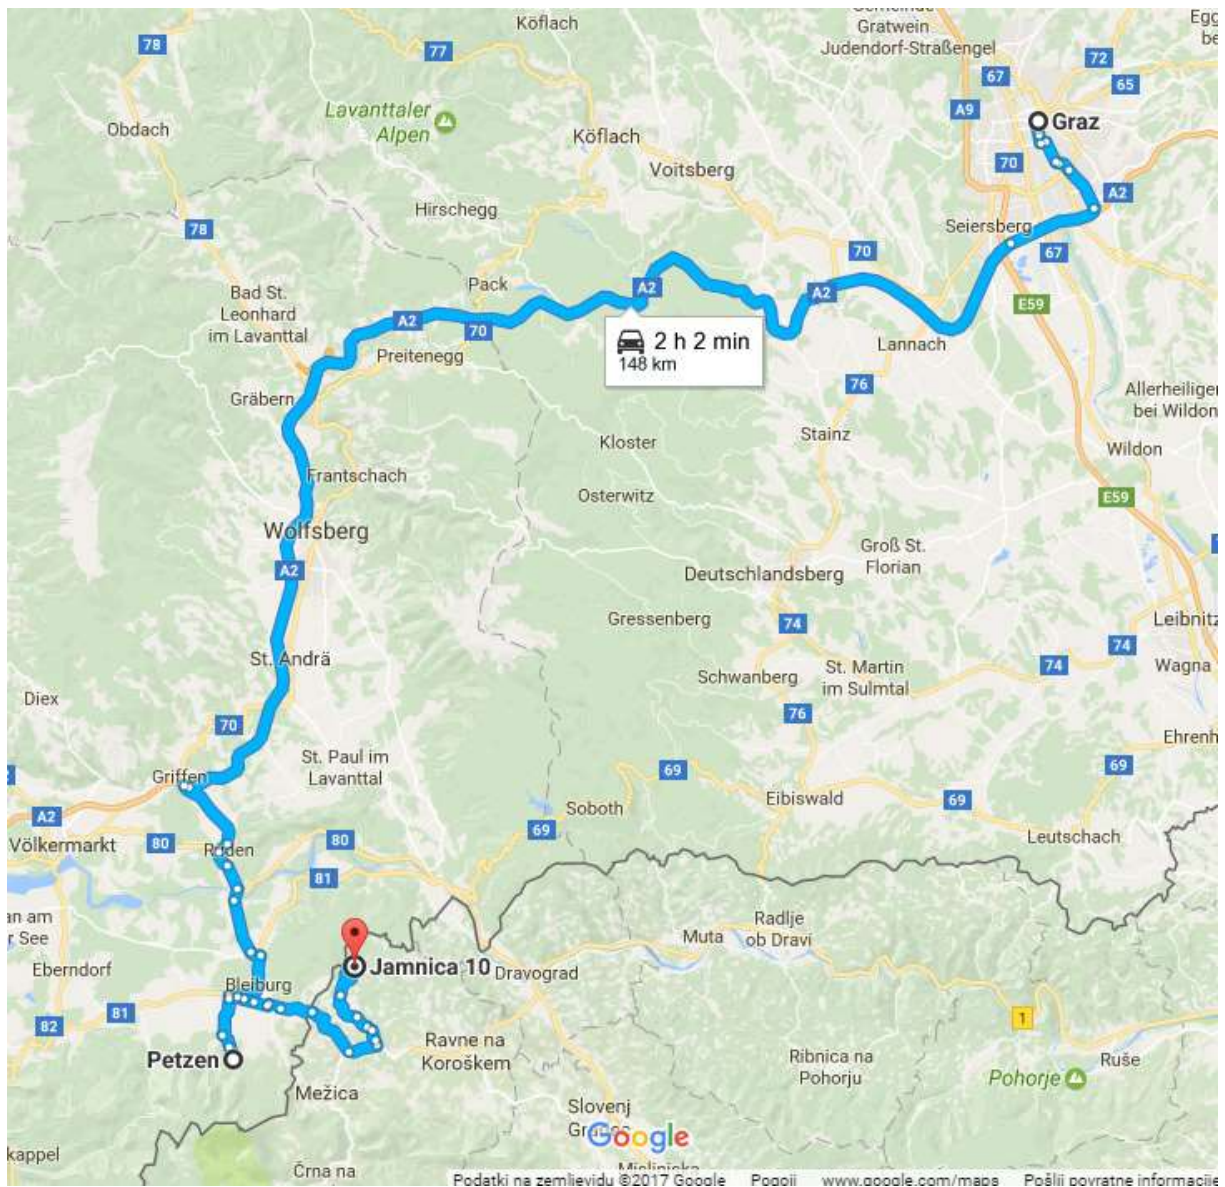

To connect Petzen and Jamnica: From Petzen or Bleiburg head towards border pass Holmec, continue towards Poljana (before town Prevalje) where start to climb to Jamnica area. Detailed map below.

If you are coming from northern side (Austrian side), just follow A2 highway (autobahn) towards Griffen exit point, exit at Griffen from there follow the road towards Gruden and than Bleiburg, later to Petzen or Jamnica.

Direction from Villach (A2 to Griffen)

Dircciton from Vienna (Wien), Graz:

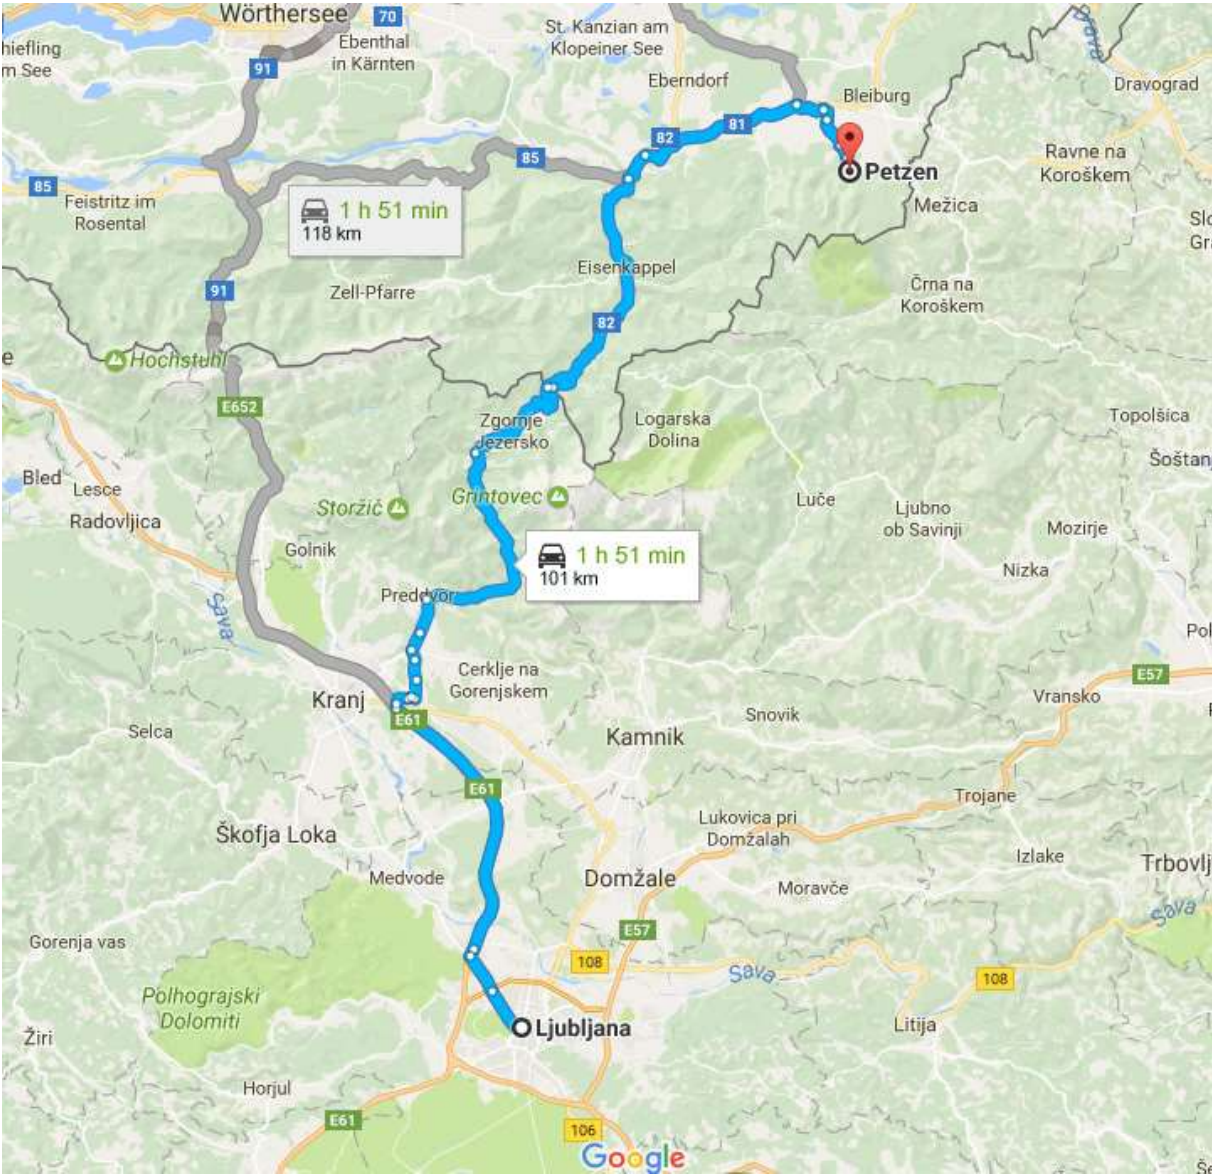

From ITALY:

From Udine (Italy) probably best to travel on highway towards Villach and what is described above.

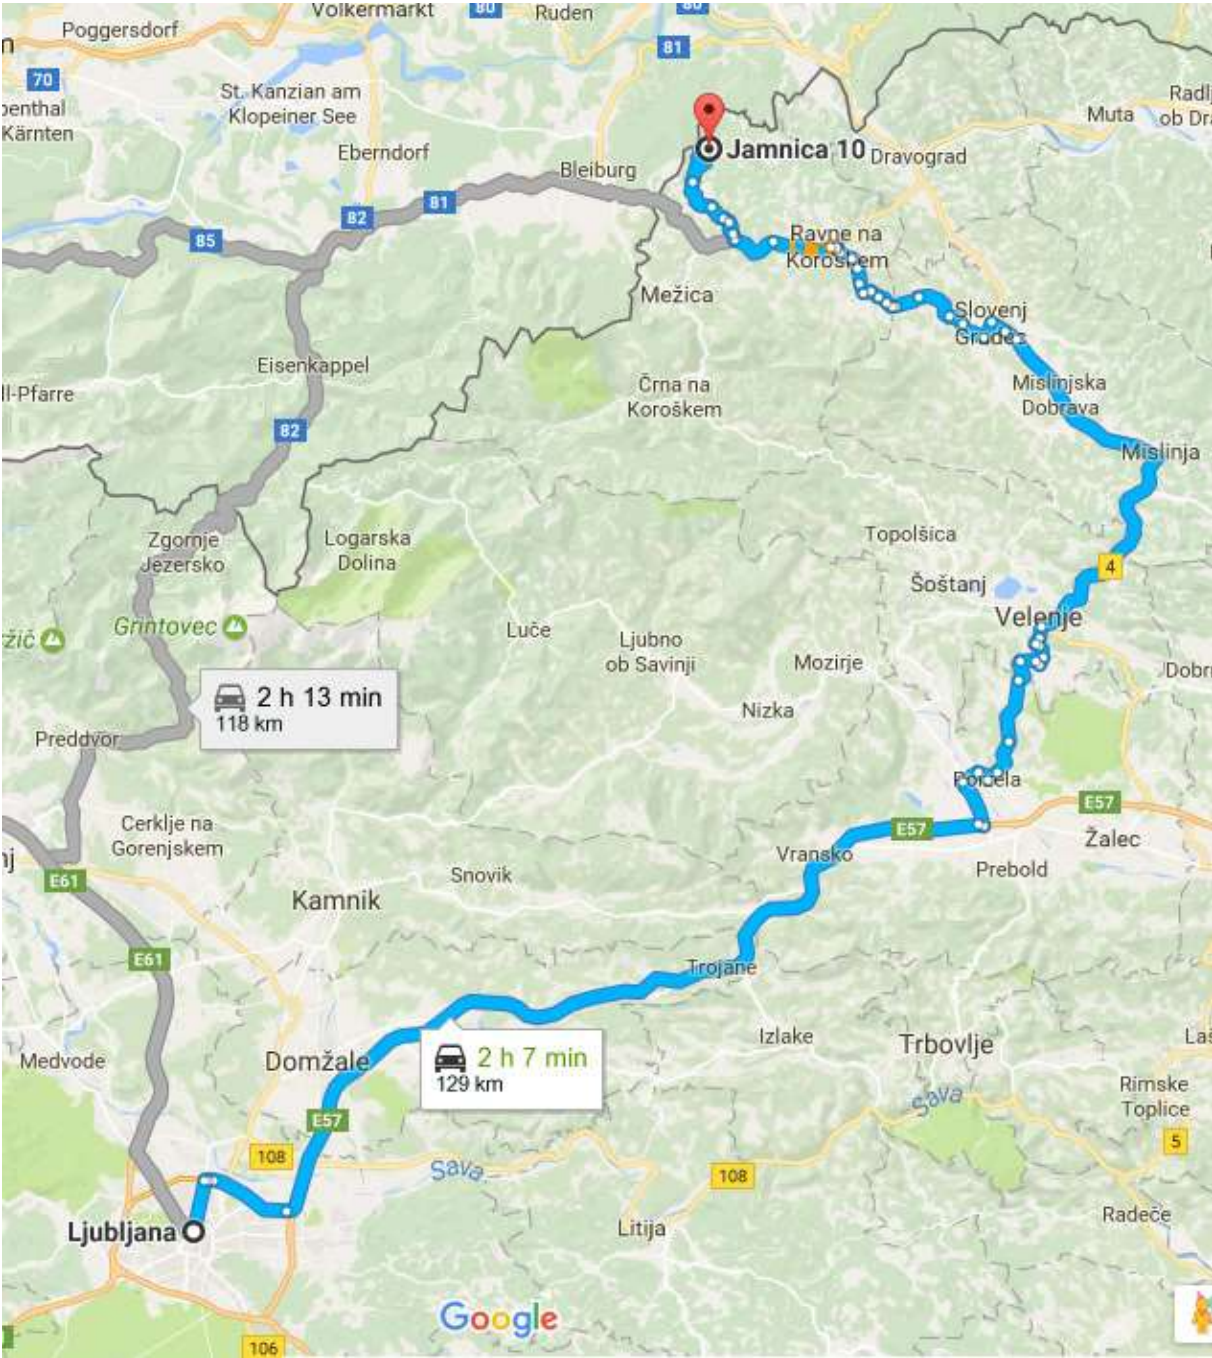

From Trieste (ITA) area and costal Primorska region is probably best to travel towards Ljubljana (below).

If you are coming from southern side we will describe 3 options.

Or another way from Ljubljana to Jamnica: highway towards Trojane, Velenje, Slovenj Gradec, Prevalje (Jamnica), Holmec border pass and Petzen ski resort:

From Maribor area and Zagreb city:

Couple of other directions:

Triglav National park area:

travel towards Tarvisio (Trbiž, ITA) and then Villach (Beljak, AUT), to get to Petzen (Peca)

Novo Mesto area:

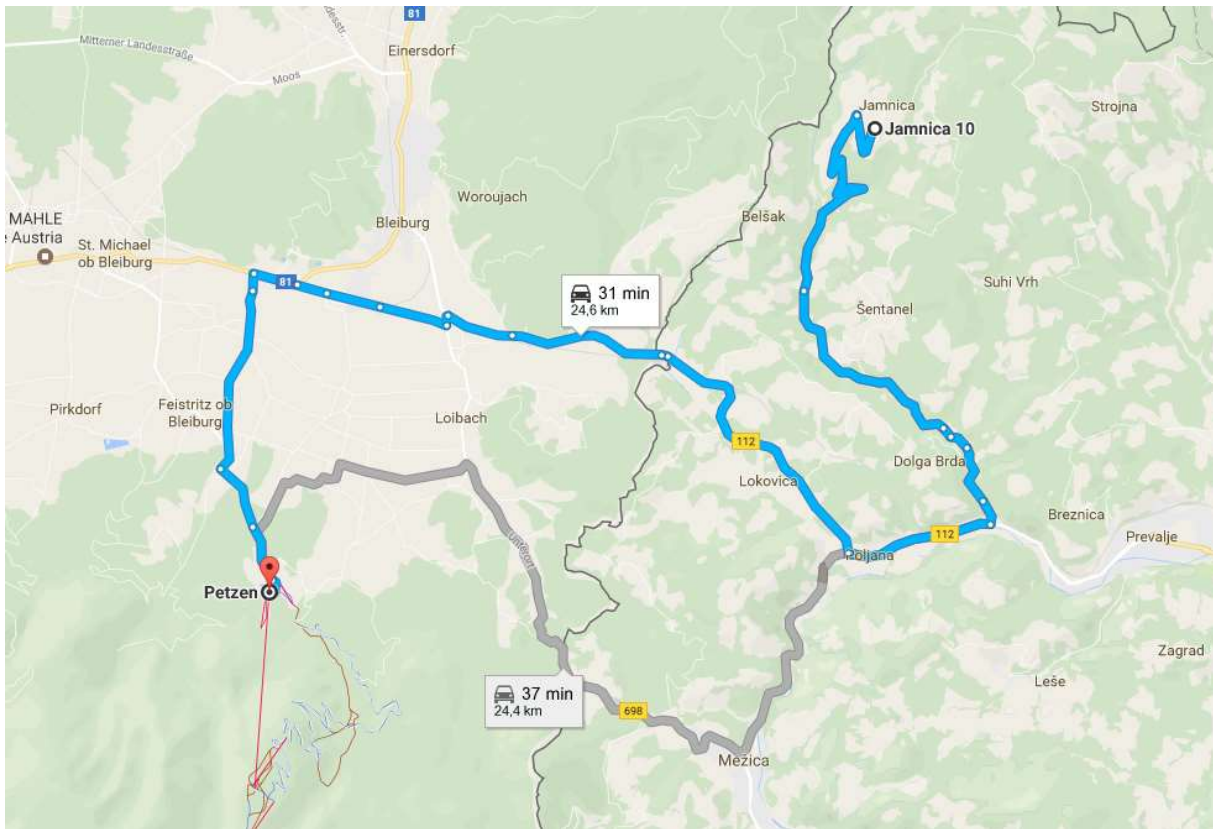

Travel towards Ljubljana and then over Jezersko pass to Petzen or highway to Trojane, Velenje, Koroška region to Jamnica or Petzen (Peca)

Munich – Salzburg – Spittal am Drau – Villach – Klagenfurt – Petzen (only 4,5 hour drive)

From Hungary travel first either towards Graz or towards Maribor

Slovakia and Czech Republic probably best to travel towards Vienna

DETAILS map between Petzen (day 1) and Jamnica (day 2) –25km distance (30mins drive):

If coming in by **TRAIN**, you need to come to Bleiburg Bahnhof, 9150 Bleiburg, AUT (closest to Petzen). Further away but in Bleiburg town center is Bleiburg Stadt Bahnhof.

We do not recommend to try to come in by ship, since July is usually not so good with local water levels.
